## Social Work 2025-2026 Calendar of Events Descriptions

**Social Work Picnic:** A kickoff to our 2025-2026 school year. CTC students and staff, along with their families, are invited to a day filled with food, fun and music. This event is held at the Oakland Elks.

**Grandparents/Special Person's Day:** Grandparents (or Special Person) of the students at our Fair Lawn campus and of the elementary age students at the Oakland campus are invited to spend some time with the student in the classroom participating in an activity guided by the teacher and classroom staff.

\*We are celebrating the special bond between our students and their loved ones. If your child does not have a grandparent available, they are welcome to bring one special person instead (ex. an aunt, uncle, cousin, etc.)

**Family Fun Events:** Family Fun Events allow for our CTC families to come together while participating in fun activities with the entire family.

**Mom's Chat:** Designed to give mothers of children with special needs the opportunity to connect with other mothers who understand. These groups are a great opportunity for moms to share information and resources, discuss their unique experiences and offer emotional support. These groups are held at either the Oakland or Fair Lawn campus.

**Mom's Time Out-Wellness Series:** This year, Mom's Time Out is introducing a special Wellness Series—created with you in mind. We know how much you give everyday, and this is your chance to slow down, breathe, and reconnect—with yourself and with other moms who truly understand.

Join us for two uplifting sessions featuring:

1. Meditation to help you find calm
2. Yoga to gently stretch, move, and release

Each session is a chance to relax, share, and build deeper connections in a safe, understanding, and supportive space.

**Education Series:** We are pleased to announce our upcoming Educational Series, designed to provide valuable information and resources to support our families and students. These sessions will be offered virtually.

The social work department will also continue to send periodic emails throughout the year containing curated resources and information relevant to the needs of our families and students.
