2026-2027 Social Work Calendar of Events Descriptions

Social Work Picnic: A kickoff to our 2026-2027 school year. CTC students and staff, along with their families, are invited to a day filled with food, fun and music. This event is held at the Oakland Elks from 12:00-3:00pm.

Grandparents/Special Person's Day: Grandparents or a special person of the students at our Fair Lawn campus and of the elementary age students at the Oakland campus are invited to spend some time with their grandchild/special person in the classroom participating in an activity guided by the teacher and classroom staff.

Mom's Time Out: Designed to give mothers of children with special needs the opportunity to connect with other mothers who understand. Mom's Time Out features a series of groups where mothers participate in activities, share information and resources, offer emotional support, and discuss their unique experiences. These groups are held in the evening from 7:00-9:00pm.

Family Fun Events: Family Fun Events allow for our CTC families to come together while participating in fun activities with the entire family.

Educational Series: The educational series provide CTC parents with the opportunity to learn about resources, agencies, supports and other topics that may be helpful in raising and planning for a child with special needs. Experts in each topic area present and address questions during their sessions. All education sessions are held virtually.

The social work department will also continue to send periodic emails throughout the year containing curated resources and information relevant to the needs of our families and students via our **Social Work Spotlight** flyer.
