Sibshops

Just for brothers and sisters of kids with special needs.

What is Sibshops?

Sibshops is a nationally acclaimed program that seeks to provide siblings with opportunities for peer support in a lively, recreational context. Each session is a carefully designed "event" which celebrates the many contributions made by brothers and sisters of kids with special needs.

Sibshops acknowledges that being the brother or sister of a person with special needs is for some a good thing, others a not-so-good thing, and for many somewhere in between. Sibshops reflects a belief that brothers and sisters have much to offer one another – if they are given a chance.

What are kids saying about Sibshops?

"At Sibshops you get to meet other brothers and sisters of kids with special needs."
