STEP

18-21 year olds

(Student Transition and Education Program)

The mission of the STEP Program is to successfully transition students from school to adult life by connecting them to opportunities and supports that foster their full participation in the community. This is accomplished by through the following:

- Real-world experiences and functional academics that align with the student's IEP goals
- Social skills development including weekly social groups
 - Problem solving
 - Decision making
 - Self-Advocacy
- Vocational experiences both in and out of the school environment
- Employability skills and strong work habits
- Activities of Daily Living
- Weekly community based instruction trips
- Leisure activities aligned with physical education, yoga, martial arts and music classes
- Increased independence in all areas
