26th Annual Gala
Dinner Dance and Auction

Thursday, June 13, 2019

*DMG America proudly
supports Sydney Wolfe and
the entire CTC Academy.*

Welcome!

What a busy year it has been! So many **wishes** came true thanks to your help. Two years ago at this gala, we asked for your support to build a water treatment plant so we could fully occupy our Oakland campus. Without it, we could not occupy three of our classrooms, we could not use our pool, our washers and dryers, our stoves or all but one of our dishwashers. Thanks to your generosity, the mission has now been accomplished and every part of the building can now be fully utilized.

We also asked you two years ago to support the funding for two school buses. Both vehicles are now on the road practically every day of the week (sometimes twice a day). As a result, our students have many more opportunities to become engaged in the community. It also makes the transition for students who are moving up from Fair Lawn to Oakland much easier, as they have ample opportunities to visit before the changeover happens.

At last years gala we asked you to turn your attention to our Fair Lawn campus. With our beautiful state-of-the art campus in Oakland, it was time for sprucing up Fair Lawn. As a result of your support, we have already had a round of renovations to our lobby area to make it more open, handicap accessible as well as providing us with greater security, as more staff have an easier time keeping their eyes on the entrance. This summer we will be continuing the renovations to every classroom and other spaces in the building, including the expansion and improvement of the layout of our Early Enrichment program class.

Thanks again for all you do to make CTC Academy such a special organization. You are critically important in making it possible for us to meet our mission of enhancing our students lives as well as supporting their families. You have truly fulfilled many **wishes** to make the CTC Academy the best school of its kind. Visitors always tell us what a warm, welcoming place our campuses are. They also notice how happy and engaged both our precious students and our staff are! My **wish** is that all of these unique qualities and accomplishments continue. With your ongoing help, that **wish** will always come true!

**Introducing Our 26th Annual
Gala Dinner Dance and Auction**
Special Guest Speaker, **Samantha Marmo**,
Proud Sister of CTC Student, Madison.

“Watching my little sister grow up and face many obstacles was not easy; however, her resilience and strength taught everyone around her the power of love and acceptance. I would not trade any moment I have had with Madison, as I believe she has taught me some of the most important lessons in life.”
